4.2 Library as a Learning Resource

4.2.1 --- Integrated Library Management System (ILMS)

The Library is computerization using the e-granthalaya. A Digital agenda for library Automation And Networking is a web based integrated library management software development in national information center (NIC), Department of Electronics and information technology, Government of India for Government Libraries .under the platform , NIC provides a complete ICT solution with integrated Library Management Software, Digital Library Module, cloud hosting environment and a Library portal (OPAC) with NICSI empanelled Roll out services support. e-granthalaya is useful to transform traditional libraries to –e-automation of in house activities of libraries, digital library integration, and to provide various online member services using single window Access system. Latest version of e-granthalaya i.e.ver.4.0 is a cloud ready Application and provides a web based solution in enterprise mode with a centralize data in enterprise mode with a centralize data base for cluster of libraries.

The ICT solution is well compliance with international standard prevalent in libraries with use of latest

ICT Technology and cloud hosting .e-granthalaya 4.0 uses posture SQL an open source DBMS as back-end database solution and is made available in NIC National cloud (meghraj) for Government Libraries on request basis with hosting of application and databases for online access Eligible Govt/semi govt organizations/libraries may send scan copy of duly filled stamped request form along with covering letter at rkmatoria@nic.in to initiate process .

HISTORY

e-granthalaya was started as in house project at Karnataka state center of NIC, Bangalore and first version of the software was designed for the public libraries in the state .later, NIC HQs Library and information service division took over the designing of the software where library professionals were involved in the designing process and thus improved the software with enhanced user interface and simplify the work-flow of library functions so that it can suit to all kinds of libraries.

Following table shows the release of various of the software.

Technology/platform used	version	year	DBMS	Edition
Visual basic 6/ASP/HTML	1.0	2003	MS SQL Server 7	Public library Edition
Visual Basic 6/ASP/HTML	2.0	2005	MS SQL Server 2000	Government libraries Edition
VB NET/ASP/NET 2.0	3.0	2007	MS SQL Server 2005	Network edition
ASP NET /4.0/AJAX/JQUERY/silver light	4.0	2015	Past Gre SQL –an open source DBMS	Enterprise Edition

The Library is computerized using the e-granthalay Library software and current version is 3.0

E-RESOURCES

The library is well equipped with E-Resources as NLIST ,E-BOOKS , for facility and students remote access facility for E-Resources is provided to users .The Library is fully computerized with the application of bar code technology . The students have access through OPAC (online public access catalogue).The newly enrolled students are given orientation about facilities and services. Training about use of NLIST provided to research students and staff.

A separate library website of the library has been created blog and its link is as follows
